## EDUCATION

### PIMPRI CHINCHWAD COLLEGE OF ENGINEERING, PUNE

May 2024 - Present

Bachelor of Technology in Information Technology; CGPA: 8.76/10.00

### PEMRAJ SARDA COLLEGE, AHMEDNAGAR

March 2020

Higher Secondary (Class XI - Class XII), M.S.B.S.H.S.E; Percentage: 75.38%

## TECHNICAL PROJECTS

### 1. IMDB's MOVIE REVIEW SYSTEM

Jan - Feb 2023

- Led backend development for a **MERN full-stack app**, combining React, Node.js, Express.js, Bootstrap, and MongoDB

### 2. CAR PRICE PREDICTION USING MACHINE LEARNING TECHNIQUES

Sept - Oct 2022

- Developed a **car price prediction model** using Linear Regression, Random Forest Regressor, and XGBoost Classifier on the Quikr.com dataset.

### 3. CHATGPT 2.0 - Enhancing ChatGpt's Conversational Abilities

Mar - Apr 2023

- An advanced **ChatGPT application** utilizing React.js, Node.js, Express, Tailwind CSS, and OpenAI's API, delivering definitive responses for enhanced user interactions.

### 4. FITQUEST - Your Personal Fitness Trainer

Nov - Dec 2022

- A **Personal gym training website** using React.js, TailwindCSS, and Rapid API to provide valuable fitness resources.

## POSITION & RESPONSIBILITY

### PCCOE IEEE STUDENT BRANCH, PCCOE PUNE

Dec 2022 - Sept 2023

**Position:** Inter Institute Competition Facilitator (**Lead**) & Social Media Team (**Lead**).

- Our team and I organized Praxis - 2K23, which witnessed a remarkable turnout of over 1000 students.

## PROFILE LINKS

**LeetCode:** Top (**8.13%**) | Contest Rating – **1784+** | **895+** problems solved on Data structures and Algo. | [Profile](#), [Profile](#)

**GeeksForGeeks:** Overall Coding Score – **920+** | **315+** problems solved on Data structures and Algo. | [Profile](#)

## ACHIEVEMENTS

1. Published a research paper on **Car Price Prediction using an ML technique** at CISES 2023.

2. **Leetcode:**

- Top **8.13%** globally with a Contest rating of **1784+**.

3. **Competitive Coding:**

- Solved over **1400+** problems based on Data Structures and Algorithms on various platforms.

4. **GeeksForGeeks:**

- Institute rank of **50**.

5. **Coding Competitions:**

- **2nd** place in institute-wide contest

6. **Academic Excellence:**

- Attained a perfect score of **100/100** in **Mathematics** in the Higher Secondary Certificate.

## ADDITIONAL SKILLS

**Technical Stack:** Java, C, CPP, Python, JavaScript, HTML, CSS, ReactJs, NodeJs, Express, BootStrap, TailwindCSS

**Database Management System:** MySQL, MongoDB

**Certifications & Training:** Advanced Software Engineering Virtual Experience Program (**Walmart Global Tech**), Software Engineering Virtual Experience Program (**Goldman Sachs**), Data Structures and Algorithms (**GeeksForGeeks**), A Crash course on Python (**Coursera**), 30 days of Google Cloud (**Google**).
